MyInterMed Patient Portal Enrollment: MyInterMed is a secure, web-based platform that allows you and your care team bi-directional communication about your non-urgent matters. You can also view your medical record, upcoming appointments, lab results, request prescription refills, & more. Usage of the portal is restricted to communication regarding your care and is not to be used to communicate about the care of others. Enrollment is free.

- Currently Enrolled

Carequality/Commonwell Health: To facilitate primary care and communication with other healthcare practitioners or facilities who have been or may become involved in my care both within and outside the State of Maine I agree to be enrolled in Carequality and Commonwell Health. These are tools that InterMed uses to exchange data with other providers in real-time including pertinent clinical information to assist in the delivery of care, especially in emergency situations; to clinical and non-clinical personnel who may now or in the future become involved in both the management and transition of my care between hospitals, medical practices, other health care facilities and home including care coordination and case management services; and for other lawful functions

Satisfaction Surveys: InterMed seeks patient feedback after each visit to continuously improve the patient experience. These surveys may be conducted via automated dialing service and/or an artificial or prerecorded voice.

- I consent to receive surveys
- I do **not** consent to receive surveys

Text Messaging: Text messaging does not use encryption, and there is some risk when information is sent by text message. InterMed has chosen specific non-sensitive clinical information that may be sent to an individual who opts into the service. Example texts could include, but are not limited to, a notification that your labs or imaging were normal, alerts that a result has been posted to your portal, or a confirmation that a refill request has been sent to your pharmacy. If at any time you wish to opt out of receiving non-sensitive clinical information by text, you may do so.

This authorization should be updated every 12 months. This authorization will remain current until an updated version is received, or this version is revoked in writing. I understand I have the right to revoke this authorization in writing at any time. Revocation will not cover information that has already been released. **I understand that I will need to complete InterMed's Authorization to Release Health Care Information form or provide an equivalent HIPAA compliant authorization if I wish to allow my provider to discuss health information not covered by the categories listed above.**
